

Medication Administration Form

Golden Paws will administer your pet's medication(s) according to your veterinarian's instructions. We require that you provide us with the medication in its **ORIGINAL** container. We will follow the instructions on the container unless otherwise instructed and verified by your veterinarian.

Medication charges are as follows: Oral and topical medications are \$4 per dose per medication. We offer an option of unlimited medications for \$18 per day. Unlimited medications are also included in the TLC package. Injections are \$9 per dose and are NOT included with the unlimited or TLC package.*

Please fill out the following to ensure accurate administration of the medication(s):
